

NOLTC Membership terms and conditions

1. Objectives

NOLTC is an inclusive Club, with its primary objective being to provide facilities for and to promote participation of the whole community in the sport of tennis (*Constitution 3.1*). Membership of the Club shall therefore be open to all persons irrespective of ethnicity, nationality, sexual orientation, religion or beliefs; or of age, sex or disability except as a necessary consequence of the requirements of tennis as a particular sport (*Constitution 5.1*).

2. Admission of Members

Any person who wishes to become a Member must submit an application in such form as the Executive Committee shall decide. In practice, applications for membership are usually made electronically, via the Club's website. Applications for membership of the Club will be granted unless to do so would be contrary to the best interests of the sport or to the good conduct and interests of the Club. Any applicant refused membership shall have the right to appeal against their rejection (*Constitution 5.3*).

3. Classes of Members

There shall be 3 categories of membership: Full Member, Social Member (i.e. Non-Playing) and Junior Member. Only Full Members (and Junior Members aged 18) shall be entitled to receive notice of, attend and vote at general meetings. Social Members and Junior Members aged 17 and under shall be entitled to receive notice of and attend general meetings, but not vote (*Constitution 5.4*).

- Individuals aged 18+ who do not use the Club's facilities to play tennis, but may use the Clubhouse.

Junior Members:

- Junior Members aged 4 - 8
- Junior Members aged 9 - 10
- Junior Members aged 11 – 18

Additional categories of membership may be recommended from time to time by the Executive Committee and approved at the annual general meeting.

4. Subscriptions

The annual subscription for each type of Member shall be recommended by the Executive Committee and approved at the annual general meeting. No Member shall be entitled to the privileges of membership until s/he has paid his annual subscription or initiated alternative prescribed monthly payments. Any Member whose subscription is not paid by such date as the Executive Committee shall decide each year shall be deemed to have resigned his/her membership of the Club (*Constitution 5.5*).

Discounts on the approved annual subscription rates may be given under certain circumstances, e.g. to Members who are also members of the Oxford Hawks Hockey Club, or to full-time students aged 30+. Such discounts shall be agreed by the Executive Committee and publicised to Members.

5. Membership year

The membership year runs from 1st April to 31st March of the following year. Members joining the Club or renewing their membership in April through to June will be charged a full year's membership. Members joining the Club or renewing their membership at a later date may be charged a lower rate as decided by the Executive Committee and publicised to Members.

Temporary membership for a period of less than a year may be granted by the Executive Committee on such terms and conditions as they shall decide.

6. Resignation

A Member may withdraw from membership of the Club at any time. Membership shall not be transferable in any event and shall cease immediately on death or resignation or on the failure of the Member to comply or to continue to comply with any condition of membership set out in these rules (*Constitution 6*). Any person ceasing to be a Member forfeits all right to and claim upon the Club, its property and its funds and has no right to the return of any part of his/her subscription. The Executive Committee may refund an appropriate part of a resigning Member's subscription if it considers it appropriate taking account of all the circumstances (*Constitution 8*).

7. Freezing of Membership

If a Member is unable to play tennis at the Club for a prolonged period for reasons such as a long-term illness or injury (lasting more than 2 months), pregnancy or a secondment to another location s/he may request that his/her membership be frozen. If a Member becomes ill or sustains an injury which s/he thinks is likely to mean that s/he will be unable to play tennis for a period of more than 2 months, s/he should alert the Executive Committee to this at the earliest opportunity. If s/he is paying membership fees in instalments, s/he should continue to make the payments. The first two months of the injury or illness will be payable by the Member but after that the Club will extend the membership by the extra months that the Member is not able to play. For example, if a Member sustains an injury or becomes ill in September and does not play tennis again until April of the following year, his/her membership will be extended by 5 months, i.e. to cover the period from November through to March, with September and October continuing to be covered by the Member, even though s/he is unable to play.

Membership will not be frozen for short-term illnesses or injuries (lasting less than 2 months) or for holidays of any length.

8. Discipline

All members are obliged to comply with any Club rules and regulations.

The Executive Committee shall have power to expel or suspend a Member when, in its opinion, it would not be in the interests of the Club for him/her to remain a Member (*Constitution 7.1*). Details of the procedure for expelling or suspending a Member and for a Member to appeal against such an expulsion or suspension are set out in the Club's constitution. The Club may refuse membership or expel or suspend a Member from membership only for good and sufficient cause, such as conduct or character likely to bring the Club or sport into disrepute.
